- **With separate detachable motor / pump unit**
- **For drains from Ø 25 - 100 mm**
- **Fit for NW5, NW6 and NW 8 hoses**
- **Ergonomic**

M i n i J e t

The MiniJet is a professional high pressure jetting machine, that can be taken everywhere without problems. It is suitable to clean drains from 25 – 100 mm.

Easy to transport
The MiniJet is easy to carry: indoors and out, also on stairs or in an elevator.

Professional
It has a very powerful and reliable pump for an excellent cleaning capacity. A professional machine, not a DIY power washer.

Detachable motor/pump unit
The motor/pump unit can easily be removed to be used independently (with a NW5 hose) from the hose reel. You can leave the hose reel in the car if the workspace is limited.

Ergonomic
The MiniJet handle is adjustable in height.
The hoses can be rolled up neatly on the hose reel.
The MiniJet is provided with pneumatic tyres for easy movement.

Equipment
The MiniJet standard equipment:
- Electric motor
- High pressure pump
- Hose reel
- NW5 and NW8 high pressure hose
- Suction hose with filter
- 2 ¼" nozzles (1 open and 1 blind)
- 1 $^1/_8$" nozzle (blind)
- High pressure handgun with 600 mm lance and adjustable spray nozzle
- Chemical injector

High pressure hoses and a pistol with NW5 coupling are in the standard equipment of the MiniJet
